

Belcampo Loft

The Belcampo loft is a light, spacious, calm, and multifunctional room situated in De Hallen te Amsterdam. The space can be set up in various ways making it suitable for rehearsals, workshops meetings, presentations, exercise classes, yoga, small theatre pieces, workshops and more. One wall is covered with mirrors. A curtain can be pulled to cover them if desired.

Dimensions:

- 12 meters wide x 10 meters deep
- Slightly elevated sprung dancefloor covered with black Marley Dance floor: 10,5m width x 10m depth
- Ceiling height: 3,5m (with skylight 5m)

Facilities

There are a number of facilities present, including a beamer, flipover, sound installation, tables, chairs and ballet barre. There is a small kitchen, a toilet, a shower and also a small area for storage. One side of the wall is covered with mirrors, with curtains in front, if desired.

Access for disabled people

The Belcampo loft is only accessible via a spiral staircase. Unfortunately, the space is not accessible for disabled people.

Accessibility and parking

Belcampo Loft is easily reachable with public transportation – tram 7 and 1, tram stop Ten Katestraat. Or else tram 3 en tram 12, stop Kinkerstraat. There is a parking place for bikers and for cars underground.
